Background information

Djanina lives with her father (Antoine), mother (Yvelande), sisters (Bedjini and Yvrose) and her brother (Ronaldo) in Ca-ira.

Her parents cannot afford school because they are both unemployed. Mother sells sugar cane on the street in order to earn some money to support the family. Djanina's grandmother is ill and needs an operation on her abdomen. Money is also needed for this, which is earned by her mother with the sale of the sugar cane.

Djanina's father also has two older boys from a previous relationship, whom he takes care of. This makes the family's financial situation even more difficult.

Djanina's mother says she will be very happy and relieved if someone wants to sponsor her child so that she can go to school.
